

# The Arts in Arizona: District 21 Fact Sheet

## THE ARTS ARE ABOUT JOBS

Artists are entrepreneurs and arts organizations are small businesses: both of which make up the foundation of Arizona's economy. The arts also promote innovation, collaboration and partnerships, particularly within rural and underserved communities.

## PROPOSED CUTS TO THE ARIZONA COMMISSION ON THE ARTS

**While budget reductions are unavoidable, the reductions outlined within the FY10 GOP Leadership Budget would be devastating to the arts industry, reducing the state arts budget by up to 75% within one year.** Similar reduction percentages have so far not been proposed for other state agencies. The proposed reductions and account sweeps will eliminate grants that directly support private sector jobs in every Arizona legislative district.

Should these draconian reductions be enacted:

- Up to 50,000 private sector jobs across Arizona would be in jeopardy.
- 1.7 million Arizona youth could lose arts education programs in their schools and communities.
- Local economies would lose critical tax revenue generated by arts and culture activities in cities and towns.
- Local businesses and vendors would lose essential revenue generated by arts businesses and patrons.
- Arizona's federal arts funding would be lost because of the match requirement. Federal funds lost because of the state's withdrawal of state funds would be delivered to other states to be used for the same purpose.
- The Arts Endowment, developed in a 12-year public/private process begun by Governor Fife Symington and supported by multiple gubernatorial administrations and state legislatures, would be eliminated. If swept, the State of Arizona will be renegeing on commitments made to Arizona business leaders and private donors.

The "three-legged stool" of arts funding cannot be dismantled. We urge you to leave the ArtShare Endowment intact, preserve the Arts Trust dedicated funding and limit reductions to the Commission's General Appropriation line to no more than 25%.

## ▶▶ HOW THE PROPOSED BUDGET CUTS WOULD AFFECT DISTRICT 21 ◀◀

- **Arizona's District 21 is home to 344 arts-related businesses that provide 1,206 private sector jobs.\*** If the state withdraws its support to its statewide arts industry, these businesses and jobs will be at risk.

- **A list of grants (\$\$) provided to District 21 in FY09 can be found on page 2.** These grants and programs would be eliminated if the state withdrew its support to the arts industry.

## THE ARTS IN ARIZONA

The Arizona Commission on the Arts is a 43-year old agency of the State of Arizona which supports:

- The development and retention of statewide jobs in the arts, culture and education sectors
- Access to quality, vital arts and arts education opportunities for all Arizona citizens
- Increased economic impact in local communities through partnerships that develop tax and business revenue
- **Annually, Arizona Commission on the Arts grants and programs serve 8 million people, and 1.7 million Arizona youth are served by Commission-sponsored arts education programs in private, charter and public schools.**
- **Arizona is home to 50,000 people employed in private sector jobs within the arts and culture industry.**
- In fiscal year 2009, prior to mid-year budget cuts, Arizona taxpayers contributed \$0.83 per capita to the statewide arts industry in public funds, ranking 42<sup>nd</sup> in the nation in per capita arts funding. Across the nation, the average annual per capita public funds contribution was \$1.35.
