

FY 17 Grants

Community Investment Grantees

All grants are awarded through a competitive application process. Eligible applications are evaluated through a panel review process based on program-specific criteria such as community impact, quality of work and responsible stewardship of public funds. Review panels include community leaders, local businesspeople, artists, arts administrators and educators from diverse geographic, artistic and cultural/ethnic communities of Arizona.

Governor-appointed Commissioners chair these panel meetings, and as a body, carefully consider the recommendations of the panelists in order to authorize the final grant awards.

Community Investment Grants

provide general operating support to organizations whose primary mission is to produce, present, teach or serve the arts.
