 Return to a General Fund appropriation which is built into the budget base.

To ensure all K-12 students have access to standards-based arts education and the benefits it can have on their academic performance and the overall learning environment, how would you encourage more attention and resources for arts education?

- Support audited reporting about arts education course offerings and student enrollment in any existing school "report card" or certificates of assurance required by state law.
- Credit in the A-F school report card for student participation and achievement in standards-based arts education.
- Establishment of a Fine Arts Seal -- similar to the Civics Literacy Seal -- to be affixed to the diplomas and noted in the transcripts of graduating students with advanced achievement in high school Fine Arts.

Please discuss what impact you believe arts and culture has on your local community, e.g. individual artists, nonprofit performing arts, museums of various kinds, zoos or botanical gardens.

Arts and culture has a huge impact in my local community. The LD-1 District has multiple art galleries, museums, and art and craft events year round. We are blessed with a multitude of different artists who display and sell their art here. Their wares give this area an opportunity to have beauty in their lives. The performing arts bring so much music to this area and it is supported by the community.

Please describe your personal participation and/or interest in arts and culture, e.g. professional or amateur visual or performing artist, a patron, board service, financial support, participation by your children, etc.

I am a patron of the arts and enjoy all the art we have presented in this area. I have participated in the community chorale and I attend music events throughout the year.

Given the value of the nonprofit arts and culture sector to the state, how would you support the eventual restoration of funding for the Arizona Commission on the Arts to pre-recession levels?

- Annual percentage of the Rainy Day Fund set in statute.
- Another dedicated funding stream. If so, what?: Interest earned from Rainy Day or another fund

- Establishment of a Fine Arts Seal -- similar to the Civics Literacy Seal -- to be affixed to the diplomas and noted in the transcripts of graduating students with advanced achievement in high school Fine Arts.
- Other ideas?: We should not add unfunded mandates to our K-12 system but should encourage, fund and acknowledge achievements

Please discuss what impact you believe arts and culture has on your local community, e.g. individual artists, nonprofit performing arts, museums of various kinds, zoos or botanical gardens.

The Prescott area has always been a hub for the arts and our western heritage. Not only do we realize the importance of arts in our schools but also see it daily in our economy and tourism.

Please describe your personal participation and/or interest in arts and culture, e.g. professional or amateur visual or performing artist, a patron, board service, financial support, participation by your children, etc.

Sadly I cannot even draw a stick figure successfully but truly admire those who have that talent. I support our arts and music financially and have been honored to receive the Arts Awards numerous times during my time at the legislature.
