Comments: Each issue is "extremely important" but I only rank some issues as "very important" because they are slightly lower priority given the extreme neglect given to the other categories lately.

Please rank how effective the non-profit arts and culture sector is at supporting the following community priorities, by choosing a number from 1 to 5, as follows: 1 - Not At All Effective, 2 - Not Very Effective, 3 - Somewhat Effective, 4 - Very Effective, 5 - Extremely Effective

Supporting local community development, e.g. downtown revitalization, neighborhood redevelopment.	4 – Very Effective
Providing a well-rounded education for our K-12 students.	5 - Extremely Effective
Supporting local business and attracting and retaining new businesses.	4 – Very Effective
Encouraging tourism.	5 - Extremely Effective
Making Arizona a place citizens want to live and raise their families.	5 - Extremely Effective
Supporting community health by directing programs and services to groups such as veterans, seniors, young people, and the cognitively and physically challenged.	5 - Extremely Effective

Comments: All are very important but tried to rank the most important ones a little higher.

Given the value of the nonprofit arts and culture sector to the state, how would you support the eventual restoration of funding for the Arizona Commission on the Arts to pre-recession levels?

- Continued, one-time allocation of interest from the Rainy Day Fund.
- Annual percentage of the Rainy Day Fund set in statute.
- Return to a General Fund appropriation which is built into the budget base.
- Another dedicated funding stream. If so, what?: Not sure what the funding stream would be, but I'd be interested in finding one.

To ensure all K-12 students have access to standards-based arts education and the benefits it can have on their academic performance and the overall learning environment, how would you encourage more attention and resources for arts education?

- Support audited reporting about arts education course offerings and student enrollment in any existing school "report card" or certificates of assurance required by state law.
- Credit in the A-F school report card for student participation and achievement in standards-based arts education.
- Establishment of a Fine Arts Seal -- similar to the Civics Literacy Seal -- to be affixed to the diplomas and noted in the transcripts of graduating students with advanced achievement in high school Fine Arts.

Please discuss what impact you believe arts and culture has on your local community, e.g. individual artists, nonprofit performing arts, museums of various kinds, zoos or botanical gardens.

Arts and culture are critical to the health and stability of my local community. Every form of arts and culture adds to the richness and success of the local community.

Please describe your personal participation and/or interest in arts and culture, e.g. professional or amateur visual or performing artist, a patron, board service, financial support, participation by your children, etc.

I am a patron and extremely amateur musician. I am a supporter of and feel a genuine appreciation and personal enjoyment of all forms of art

Coming from such a diverse district, the beauty of it's makeup is the culture. You can see a Frida Kahlo mural as well as a Vietnamese painting at a restaurant. We need to continue supporting this diversity.

Board Member of AZ Citizens for the Arts and professional Mariachi performer.
